

Administrative Regulation

Sale And Disposal Of Equipment And Supplies

AR 3270

Business and Noninstructional Operations

Equipment/Supplies Acquired with Federal Funds

When the Agency has a need to replace equipment originally purchased with funds from a federal grant or subgrant, it may, subject to the approval of the agency that awarded the grant, trade in the original equipment or sell the property and use the proceeds to offset the cost of the replacement property. (2 CFR 200.313)

(cf. 3230 - Federal Grant Funds)

When any original or replacement equipment or supplies acquired under a federal grant or subgrant are no longer needed for the original project or program or for other federally supported activities, the Agency may retain or sell such items or, if the item has a current fair market value of less than \$5,000, may otherwise dispose of the item in a manner approved by the Board of Directors. Whenever the Agency sells equipment or supplies that have a current fair market value of \$5,000 or more, it shall provide an amount to the member districts equal to the agency's share of the current market value of the equipment or the proceeds from the sale of the equipment or supplies. (2 CFR 200.313, 200.314)

In the event that the Agency is provided equipment that is federally owned, the Agency shall request disposition instructions from the federal district when it no longer needs the equipment. (2 CFR 200.313)

Other Personal Property

The Agency may sell other surplus or obsolete Agency-owned personal property through any of the following methods:

1. The CEO or designee may advertise for bids by posting a notice in at least three public places in the member districts geographic area for at least two weeks, or by publishing a notice at least once a week for at least two weeks in a newspaper having a general circulation in the member districts geographic area and, if possible, publishing within the Agency. The Agency shall sell the property to the highest responsible bidder or shall reject all bids. (Education Code 17545, 17548)

Property for which no qualified bid has been received may be sold, without further advertising, by the CEO or designee. (Education Code 17546)

(cf. 3311 - Bids)

2. The property may be sold by means of a public auction conducted by Agency employees, employees of member districts, or by contract with a private auction firm. (Education Code 17545)

3. The Agency may sell the property without advertising for bids under any of the following conditions:

Note: Pursuant to Education Code 17546, advertising without bids is authorized when the Board of Directors attending a meeting unanimously agree that the property, whether one or more items, does not exceed \$2,500 in value; see the accompanying Board policy.

a. The Board of Directors in attendance at a meeting have unanimously determined that the property does not exceed \$2,500 in value. (Education Code 17546)

(cf. 9323.2 - Actions by the Board)

Note: Education Code 17540 authorizes the sale of property to government agencies eligible under the federal surplus property law, renumbered as 40 USC 549.

b. The Agency sells the property to member districts of the federal, state, or local government, to any other school district, or to any member districts in the geographic area eligible under the federal surplus property law and the sale price equals the cost of the property plus the estimated cost of purchasing, storing, and handling. (Education Code 17540; 40 USC 549)

c. The Agency sells or leases the property to member districts in the geographic area of the federal, state, or local government or to any other member district in the area and the price and terms of the sale or lease are fixed by the Board of Directors and approved by the Board of Directors in the member districts. (Education Code 17542)

Money received from the sale of surplus personal property shall be either deposited in the Agency reserve or general fund or credited to the fund from which the original purchase was made. (Education Code 17547)

Board Policy

Sale And Disposal Of, Equipment And Supplies

BP 3270

Business and Noninstructional Operations

Note: The following policy and administrative regulation address the sale and disposal of district-owned personal property, such as equipment and supplies. For policy on the sale or lease of surplus real property, see BP 3280 - Sale or Lease of District-Owned Real Property.

The Board of Directors recognizes its fiscal responsibility to maximize the use of Agency equipment, supplies, and other personal property while providing up-to-date resources that facilitate effective Agency operations. When the Board, upon recommendation of the CEO or designee, declares any district-owned personal property unusable, obsolete, or no longer needed, the Board shall determine the estimated value of the property and shall decide whether the property will be donated, sold, or otherwise disposed of as prescribed by law and administrative regulation.

(cf. 0440 - District Technology Plan)
(cf. 3512 - Equipment)
(cf. 6161.11 - Supplementary Instructional Materials)
(cf. 6163.1 - Library Media Centers)

The Board shall approve the price and terms of any sale or lease of personal property of the district.

If the Board members who are in attendance at a meeting unanimously agree that the property, whether one or more items, does not exceed \$2,500 in value, the property may be sold without advertising for bids. (Education Code 17546)

(cf. 9323.2 - Actions by the Board)

If the Board members who are in attendance at a meeting unanimously find that the value of the property is insufficient to defray the costs of arranging a sale, the property may be donated to a charitable organization deemed appropriate by the Board or may be disposed of in the local public dump. (Education Code 17546)

The CEO or designee shall establish procedures to be used whenever the district sells equipment or supplies originally acquired under a federal grant or subgrant. Such procedures shall be designed to ensure the highest possible return. (2 CFR 200.313)

GIFTS, GRANTS AND BEQUESTS

The Board of Directors may accept any gift, grant, or bequest of money, property, or service to the Santa Clarita Valley School Food Services Agency (SCVSFSA) from any individual, private agency or organization, or other public agency that desires to support SCVSFSA's programs or activities. While greatly appreciating suitable donations, the Board shall reject any gift which may directly or indirectly impair its authority to make decisions in the best interest of students it serves.

(cf. 0100 - Philosophy)
(cf. 0200 - Goals for the School District)
(cf. 0410 - Nondiscrimination in District Programs and Activities)
(cf. 1260 - Educational Foundation)

Before accepting any gift, grant, or bequest, the Board shall carefully consider any conditions or restrictions imposed by the donor to ensure their consistency with the SCVSFSA's vision, philosophy, and operations. If the Board believes the SCVSFSA will be unable to fully satisfy the donor's conditions, the gift shall not be accepted.

(cf. 0000 - Vision)

In addition, the Board shall ensure that acceptance of the gift, grant, or bequest does not:

1. Involve creation of a program which the Board would be unable to sustain when the donation is exhausted
2. Entail undesirable or excessive costs
3. Promote the use of violence, drugs, tobacco, or alcohol or the violation of any law or SCVSFSA policy

(cf. 5131.6 - Alcohol and Other Drugs)
(cf. 5131.62 - Tobacco)

4. Imply endorsement of any business or product or unduly commercialize or politicize the school environment

(cf. 1325 - Advertising and Promotion)

All gifts, grants, and bequests shall become SCVSFSA property.

GIFTS, GRANTS AND BEQUESTS (continued)

The CEO or designee shall annually provide a report to the Board indicating the gifts, grants, and/or bequests received on behalf of SCVSFSA in the preceding fiscal year. The report shall include a statement of account and expenditure of all gifts of money and an inventory of all gifts of physical assets.

(cf. 3440 - Inventories)

(cf. 3460 - Financial Reports and Accountability)

Appreciation

The Board may show appreciation for any donation to SCVSFSA in any manner it deems appropriate. Such appreciation may take the form of letters of recognition or Board resolutions; plaques, commendations, or awards; planting of commemorative trees or gardens; or naming or renaming of buildings, grounds, or facilities. Conferment of any such honor shall be in accordance with applicable Board policy.

(cf. 1150 - Commendations and Awards)

(cf. 7310 - Naming of Facility)

Corporate Sponsorship

The Board may enter into an agreement or arrangement with an outside entity for the sponsorship of any or its programs or activities. When appropriate, the agreement may allow the outside entity to advertise or promote its business, product, or service in SCVSFSA publications or on SCVSFSA property or web site.

(cf. 1113 - District and School Web Sites)

(cf. 1700 - Relations Between Private Industry and the Schools)

(cf. 3312 - Contracts)

Every sponsorship agreement shall be in writing and shall be approved by the Board. The Board shall ensure that SCVSFSA's relationship and arrangement with the sponsor are consistent with SCVSFSA's mission, values, and goals. Any advertising or promotional message, image, or other depiction to be used by the sponsor shall meet the standards set for commercial advertising on SCVSFSA property and in SCVSFSA-sponsored publications. No message, image, or other depiction that promotes the use of obscene language, pornography, alcohol, tobacco, or prohibited drugs or that advocates unlawful discrimination, use of violence, or the violation of law or SCVSFSA policy shall be allowed.

Each sponsorship agreement shall contain statements including, but not limited to:

GIFTS, GRANTS AND BEQUESTS (continued)

1. The purpose of the relationship with the sponsor, details of the benefits to SCVSFSA, and how the benefits will be distributed.
2. The duration of the agreement and the roles, expectations, rights, and responsibilities of SCVSFSA and the sponsor, including whether and to what extent the sponsor is allowed to advertise or promote its products and/or services.
3. The authority of the Board to retain exclusive right over the use of SCVSFSA's name, logo, and other proprietary information. The sponsor's use of such information shall require prior approval of the Board.
4. The authority of the Board to terminate the agreement without any penalty or sanction to SCVSFSA if the sponsor's message, business, or product becomes inconsistent with SCVSFSA vision, mission, or goals or the sponsor engages in any prohibited activity.

The Board shall not recognize obligations incurred contrary to Board policy and administrative regulations.

(cf. 3311 - Bids)
(cf. 3312 - Contracts)

The Board shall review all transactions entered into by the CEO or designee on behalf of the Board every 60 days. (Education Code 17605)

When price, fitness, and quality are equal, recycled products shall be preferred when procuring materials for use.

EXPENDITURES AND PURCHASES (continued)

(cf. 3314.2 - Revolving Funds)

(cf. 3440 - Inventories)

(cf. 3511.1 - Integrated Waste Management)

He/she shall ensure that the "open" purchase order system details a maximum purchase amount, the types of items that can be purchased under this order, the individuals authorized to approve purchases, and the expiration date of the "open" order.

BIDS

The Board of Directors is committed to promoting public accountability and ensuring prudent use of public funds. In leasing or purchasing equipment, materials, supplies, or services for the Santa Clarita Valley School Food Services Agency (SCVSFSA) and when contracting for public projects involving SCVSFSA facilities, the Board shall explore lawful opportunities to obtain the greatest possible value for its expenditure of public funds. When required by law, or if the Board determines that it is in the best interest of the SCVSFSA such leases and purchases shall be purchased using competitive bidding.

(cf. 0410 - Nondiscrimination in District Programs and Activities)

(cf. 3000 - Concepts and Roles)

(cf. 3300 - Expenditures and Purchases)

The CEO or designee shall establish comprehensive bidding procedures for the SCVSFSA in accordance with law. The procedures shall include a process for advertising bids, instructions and timelines for submitting and opening bids, and other relevant requirements.

No work, project, service, or purchase shall be split or separated into smaller work orders, or projects for the purpose of evading the legal requirements of Public Contract Code.

When calling for bids, the CEO or designee shall ensure that the bid specification clearly describes in appropriate detail the quality, delivery, and service required and includes all information which the SCVSFSA knows, or has in its possession, that is relevant to the work to be performed or that may impact the cost of performing the work.

The CEO or designee shall develop the procedures to be used for rating bidders for award of contracts which, by law or Board policy, require prequalification. The procedures shall identify a uniform system for rating bidders and shall address the issues covered by the standardized questionnaire and model guidelines developed by the Department of Industrial Relations pursuant to Public Contract Code 20101.

(cf. 9270 – Conflict of Interest)

Except as authorized by law and specified in the administrative regulation, contracts shall be let to the lowest responsible bidder who shall give such security as the Board requires, or else all bids shall be rejected. (Public Contract Code 20111)

When the Board has determined that it is in the best interest of the SCVSFSA, SCVSFSA may piggyback onto the contract of another public agency or corporation to lease or purchase equipment or supplies to the extent authorized by law. (Public Contract Code 20118)

(Public Contract Code 20111, 22002)

SCVSFSA shall also seek competitive bids through advertisement for contracts exceeding the amount specified in law, and as annually adjusted by the Superintendent of Public Instruction, for any of the following: (Public Contract Code 20111)

1. The purchase of equipment, materials, or supplies to be furnished, sold, or leased to SCVSFSA.
2. Services, not including construction services or special services and advice in accounting, financial, legal, or administrative matters.
3. Repairs that are not a public project, including maintenance.

Maintenance means routine, recurring, and usual work for preserving, protecting, and keeping a SCVSFSA facility operating in a safe, efficient, and continually usable condition for the intended purpose for which it was designed, improved, constructed, altered, or repaired. *Maintenance* includes, but is not limited to, carpentry, electrical, plumbing, glazing, and other craft work designed to preserve the facility, as well as repairs, cleaning, and other operations on machinery and other permanently attached equipment, but does not include painting, repainting, or decorating other than touchup, or other types of work, janitorial or custodial services and protection provided by security forces. (Public Contract Code 20115)

Instructions and Procedures for Advertised Bids

The Chief Executive Officer (CEO) or designee shall call for bids by placing a notice at least once a week for two weeks in a local newspaper of general circulation published in the school district's served by SCVSFSA, or if no such newspaper exists, then in some newspaper of general circulation circulated in the county. The CEO or designee also may post the notice on the SCVSFSA's web site or through an electronic portal. The notice shall state the work to be done or materials or supplies to be furnished and the time and place and web site where bids will be opened. SCVSFSA may accept a bid that has been submitted electronically or on paper. (Public Contract Code 20111, 20112)

(cf. 1113 – District and School Web Sites)

BIDS (continued)

The notice shall contain the time, date, and location of any mandatory prebid conference, site visit, or meeting. The notice shall also detail when and where project documents, including the final plan and specifications, are available. Any such mandatory visit or meeting shall occur not less than five calendar days after the publication of the initial notice. (Public Contract Code 6610)

Bid instructions and specifications shall include the following requirements and information:

1. All bidders shall certify the minimum, if not exact, percentage of post-consumer materials in products, materials, goods, or supplies offered or sold. (Public Contract Code 22152)

(cf. 3510 - Green School Operations)

2. All bids for construction work shall be presented under sealed cover. The SCVSFSA may accept a bid that has been submitted electronically or on paper, and shall be accompanied by one of the following forms of bidder's security: (Public Contract Code 20107, 20111)
 - a. Cash
 - b. A cashier's check made payable to the SCVSFSA
 - c. A certified check made payable to the SCVSFSA
 - d. A bidder's bond executed by an admitted surety insurer and made payable to the SCVSFSA

The security of unsuccessful bidders shall be returned in a reasonable period of time, but in no event later than 60 days after the bid is awarded. (Public Contract Code 20111, 20112)

3. When a standardized proposal form is provided by SCVSFSA, bids not presented on the standard form shall be disregarded. (Public Contract Code 20111.5)
4. Bids shall not be accepted after the advertised bid opening time, regardless of whether the bids are actually opened at that time. (Public Contract Code 20112)
5. When two or more identical lowest or highest bids are received, the Board may determine by lot which bid shall be accepted. (Public Contract Code 20117)
6. If the SCVSFSA requires that the bid include prices for items that may be added to or deducted from the scope of work in the contract, the bid solicitation shall specify which one of the following methods will be used to determine the lowest bid. In the

BIDS (continued)

absence of such a specification, only the method provided in item #a below shall be used. (Public Contract Code 20103.8)

- a. The lowest bid shall be the lowest total of the bid prices on the base contract without consideration of the prices on the additive or deductive items.
- b. The lowest bid shall be the lowest total of the bid prices on the base contract and those additive or deductive items that were specifically identified in the bid solicitation as being used for the purpose of determining the lowest bid price.
- c. The lowest bid shall be the lowest total of the bid prices on the base contract and those additive or deductive items that, when taken in order from a specifically identified list of those items in the solicitation, and added to or subtracted from the base contract, are less than or equal to a funding amount publicly disclosed by the SCVSFSA before the first bid is opened.

The lowest bid shall be determined in a manner that prevents any information that would identify any of the bidders or proposed subcontractors or suppliers from being revealed to the SCVSFSA before the ranking of all bidders from lowest to highest has been determined. (Public Contract Code 20103.8)

7. In determining the lowest bid, the SCVSFSA shall consider only responsive bids that conform to bid specifications and are submitted by responsible bidders who have demonstrated trustworthiness, quality, fitness, capacity, and experience to satisfactorily perform the public works contract.
 - a. When a bid is determined to be nonresponsive, the CEO or designee shall notify the bidder and give him/her an opportunity to respond to the determination.
 - b. When the lowest bidder is determined to be nonresponsible, the CEO or designee shall notify the bidder of his/her right to present the evidence of his/her responsibility at a hearing before the Board.

Any subsequent change or alteration of a contract shall be governed by the provisions of Public Contract Code 20118.4.

8. After being opened, all submitted bids become public records pursuant to Government Code 6252 and shall be made available for review pursuant to law, Board policy, and administrative regulation.

(cf. 1340 - Access to District Records)

BIDS (continued)

9. *(Note: Relocated to #7c above)*

Prequalification Procedure

When required by the Board, the CEO or designee shall establish a uniform system for rating bidders on the basis of completed questionnaires and financial statements in order to determine the size of contracts on which each bidder is qualified to bid. For this purpose, the CEO or designee shall furnish prospective bidders a standardized prequalification questionnaire and financial record which, when completed shall indicate a bidder's statement of financial ability and expertise in performing public works. The bidder's information shall be verified under oath in the manner which civil law pleadings are verified. The questionnaires and financial statements shall not be public records and shall not be open to public inspection (Code of Civil Procedure 446; Public Contract Code 20111.5, 20111.6)

Award of Contract

The SCVSFSA shall award each contract to the lowest responsible bidder, except in the following circumstances:

1. When the contract is for the procurement and/or maintenance of electronic data processing systems and supporting software, in which case the Board may contract with any one of the three lowest responsible bidders (Public Contract Code 20118.1)
2. When the contract is one for which the Board has established goals and requirements relating to participation of minority, women, disabled veteran, or small business enterprises in accordance with Public Contract Code 2000-2002, in which case the Board may contract with the lowest responsible bidder who complies or makes a good faith effort to comply with the goals and requirements. (Public Contract Code 2000-2002)

Protests by Bidders

A bidder may protest a bid award if he/she believes that the award is not in compliance with law, Board policy, or the bid specifications. A protest must be filed in writing with the CEO

BIDS (continued)

or designee within five working days after receipt of notification of the contract award and shall include all documents supporting or justifying the protest. A bidder's failure to file the protest documents in a timely manner shall constitute a waiver of his/her right to protest the award of the contract.

The CEO or designee shall review the documents submitted with the bidder's claims and render a decision in writing within 30 working days. The CEO or designee may also convene a meeting with the bidder in order to attempt to resolve the problem.

The bidder may appeal the CEO or designee's decision to the Board. The CEO or designee shall provide reasonable notice to the bidder of the date and time for Board consideration of the protest. The Board's decision shall be final.

Alternative Bid Procedures for Technological Supplies and Equipment

Rather than seek competitive bids, the Board may use competitive negotiation when it makes a finding that SCVSFSA procurement is for computers, software, telecommunications equipment, microwave equipment, or other related electronic equipment and apparatus. Competitive negotiation shall not be used to contract for construction or for the procurement of any product that is available in substantial quantities to the general public. (Public Contract Code 20118.2)

The competitive negotiation process shall include, but not be limited to, the following requirements: (Public Contract Code 20118.2)

1. The CEO or designee shall prepare a request for proposals (RFP) that shall be submitted to an adequate number of qualified sources, as determined by the SCVSFSA, to permit reasonable competition consistent with the nature and requirement of the procurement.
2. Notice of the RFP shall be published at least twice in a newspaper of general circulation, at least 10 days before the date for receipt of the proposals.
3. The CEO or designee shall make every effort to generate the maximum feasible number of proposals from qualified sources and shall make a finding to that effect before proceeding to negotiate if only a single response to the RFP is received.
4. The RFP shall identify all significant evaluation factors, including price, and their relative importance.
5. The CEO or designee shall provide reasonable procedures for the technical evaluation of the RFPs received the identification of qualified sources, and the selection for the award of the contract.

BIDS (continued)

6. The Board shall award the contract to the qualified bidder whose proposal meets the evaluation standards and will be most advantageous to the SCVSFSA with price and all other factors considered.
7. If the Board does not award the contract to the bidder whose proposal contains the lowest price, then the Board shall make a finding setting forth the basis for the award.
8. The Board, at its discretion, may reject all proposals and request new RFPs.
9. Provisions in any contract concerning utilization of small business enterprises that are in accordance with the RFP shall not be subject to negotiation with the successful proposer.

2. Does not call for a designated material, product, thing, or service by a specific brand or trade name, unless the specification is followed by the words “or equal,” so that bidders may furnish any equal material, product, thing, or service

In any such case, the bid specification shall provide a time period, before and/or after the award of the contract, for the contractor to submit data substantiating the request for substituting the designated material, product, thing, or service. If no such time period is specified, the contractor may submit the data within 35 days after the award of the contract.

When the bid is for a roof project, a material, product, thing, or service is considered “equal” to that designated if it is equal in quality, durability, design, and appearance; will perform the intended function equally well; and conforms substantially to the detailed requirements in the bid specification. (Public Contract Code 3002)

However, the CEO or designee may designate a specific material, product, thing, or service by brand or trade name (sole sourcing), if the Board has made a finding, described in the invitation for bids or RFP, that a particular material, product, thing, or service is designated for any of the following purposes: (Public Contract Code 3400)

1. To conduct a field test or experiment to determine its suitability for future use
2. To match others in use on a particular public improvement that has been completed or is in the course of completion.

BIDS (continued)

3. To obtain a necessary item that is only available from one source
4. To respond to the Board's declaration of an emergency, as long as the declaration has been approved by four-fifths of the Board when issuing the invitation for bid or RFP

(cf. 9323.2 – Actions by the Board)

(cf. 3510 – Green School Operations)
(cf. 3511 – Energy and Water Management)
(cf. 9320 – Meetings and Notices)

BIDS (continued)

Perishable commodities, such as foodstuffs, needed in the operations of cafeterias may be purchased through bid or on the open market. (Education Code 38083)

(Public Contract Code 20113)

(cf. 3517 – Facilities Inspection)

Bids shall not be required for day labor under circumstances specified in Public Contract Code 20114. Day labor shall include the use of maintenance personnel employed on a permanent or temporary basis. (Public Contract Code 20114)

The district may purchase any surplus property from the federal government or any of its agencies in any quantity needed for the operation of its schools without taking estimates or advertising for bids. (Education Code 17602)

FINANCIAL REPORTS AND ACCOUNTABILITY

The Board of Directors is committed to ensuring the fiscal health of the Santa Clarita Valley School Food Services Agency (SCVSFSA) and providing public accountability. The Board shall adopt sound fiscal policies, oversee SCVSFSA's financial condition, and continually evaluate whether SCVSFSA's budget and financial operations support its goals.

(cf. 3100 - Budget)

(cf. 3110 - Transfer of Funds)

(cf. 3300 - Expenditures and Purchases)

(cf. 3430 - Investing)

(cf. 4143/4243 - Negotiations/Consultation)

(cf. 9000 - Role of the Board)

The Chief Executive Officer (CEO) or designee shall provide the Board with financial reports throughout the year in accordance with law and as otherwise requested by the Board.

The CEO or designee shall ensure that all financial reports are prepared in accordance with law and in conformity with generally accepted accounting principles and financial reporting standards stipulated by the Governmental Accounting Standards Board and the California Department of Education (CDE). He/she shall establish a system of ongoing internal controls to ensure the reliability of financial reporting.

(cf. 3400 - Management of District Assets/Accounts)

When required by law or the Board, the Superintendent or designee shall submit to the Board reports of the district's financial status, including, but not limited to, any report specified in this Board policy or accompanying administrative regulation. When any such report must be approved by the Board prior to its submission to a local, state, and/or federal agency, the Superintendent or designee shall provide the report to the Board in sufficient time to enable the Board to carefully review the report and meet any applicable submission deadline.

Based on financial reports provided by the CEO or designee and in accordance with law and administrative regulation, the Board shall:

1. Approve and file an annual statement of SCVSFSA's receipts and expenditures for the preceding fiscal year (Education Code 42100)
2. Adopt a resolution identifying SCVSFSA's estimated appropriations limit for the current fiscal year and the actual appropriations limit for the preceding fiscal year (Education Code 42132; Government Code 7910)
3. Approve interim fiscal reports and certify whether SCVSFSA will be able to meet its fiscal obligations for the remainder of the fiscal year and two subsequent fiscal years (Education Code 42130, 42131)

FINANCIAL REPORTS AND ACCOUNTABILITY (continued)

4. Provide for an annual audit, select an independent auditor, and review the audit report (Education Code 41020, 41020.3)

The independent auditor shall present the audit report to the Board at a public meeting and the Board shall have an opportunity to ask questions of the auditor and request further information about the audit findings.

The Board shall regularly communicate SCVSFSA's financial position to the public and shall use financial reports to determine what actions and budget amendments, if any, are needed to ensure SCVSFSA's financial stability.

(cf. [1340](#) - Access to District Records)

If SCVSFSA conditions predict fiscal distress or indicate that SCVSFSA might not be able to meet its fiscal obligations, the Board and CEO or designee shall act quickly to identify and resolve these conditions. The Board shall work cooperatively with the County Superintendent of Schools to improve the district's fiscal health and may contract with an external individual or organization to advise the district on fiscal matters.

Unaudited Actual Receipts and Expenditures

On or before September 15, the Board shall approve and file with the County Superintendent a statement of the district's unaudited actual receipts and expenditures for the preceding fiscal year. The Superintendent or designee shall prepare this statement using the state's standardized account code structure (SACS) as prescribed by the Superintendent of Public Instruction (SPI). (Education Code [42100](#))

Gann Appropriations Limit Resolution

On or before September 15, the Board shall adopt a resolution identifying, pursuant to Government Code [7900-7914](#), the district's estimated appropriations limit for the current fiscal year and the actual appropriations limit for the preceding fiscal year. Documentation used to identify these limits shall be made available to the public on the day of the Board meeting. (Education Code [42132](#); Government Code [7910](#))
(cf. [9322](#) - Agenda/Meeting Materials)

Interim Reports/Certification of Ability to Meet Fiscal Obligations

The CEO or designee shall submit two interim fiscal reports to the Board, the first report covering the Agency's financial and budgetary status for the period ending October 31 and the second report covering the period ending January 31. The reports and supporting data shall be made available by the Agency for public review. (Education Code [42130](#))

FINANCIAL REPORTS AND ACCOUNTABILITY (continued)

Within 45 days after the close of the period reported, the Board shall approve the interim report and certify, on the basis of the interim report and any additional financial information known by the Board, whether the Agency will be able to meet its fiscal obligations for the remainder of the fiscal year and, based on current forecasts, for the two subsequent fiscal years. The certification shall be classified as one of the following: (Education Code [42130](#), [42131](#))

1. "Positive certification" indicating that the Agency will meet its financial obligations for the current fiscal year and two subsequent fiscal years
2. "Qualified certification" indicating that the Agency may not meet its financial obligations for the current fiscal year or two subsequent fiscal years
3. "Negative certification" indicating that the Agency will be unable to meet its financial obligations for the remainder of the fiscal year or the subsequent fiscal year

The CEO or designee shall submit a copy of each interim report and certification to the County Superintendent using the state's SACS software, as prescribed by the SPI. (Education Code [42130](#), [42131](#))

If the Agency's certification is subsequently changed by the County Superintendent from a positive to a qualified or negative certification, or from a qualified to a negative certification, the Board may appeal the decision to the SPI within five days of receiving the notice of change. (Education Code [42131](#))

Whenever the Agency receives a qualified or negative certification from the Board or the County Superintendent, the CEO or designee shall cooperate in the implementation of any remedial actions taken or prescribed by the County Superintendent under the authority granted to him/her pursuant to Education Code [42131](#).

If the second interim report is accompanied by a qualified or negative certification, the Board shall, no later than June 1, provide to the County Superintendent, the State Controller, and the SPI a financial statement as of April 30 ("third interim report") that projects the Agency's fund and cash balances through June 30. (Education Code [42131](#))

At any time during the year when the County Superintendent conducts a comprehensive review of the Agency's financial and budgetary conditions after he/she has determined that the Agency's budget does not comply with state criteria and standards for fiscal stability, the Board shall review the County Superintendent's recommendations at a public Board meeting. Within 15 days of receiving the report, the district shall notify the County Superintendent and the SPI of its proposed actions on the recommendation. (Education Code [42637](#))

FINANCIAL REPORTS AND ACCOUNTABILITY (continued)

Audit Report

Pursuant to Education Code [41020](#), if the Agency has a disapproved budget, has received a negative certification on any budget or interim fiscal report during the current fiscal year or either of the two preceding fiscal years, or has otherwise been determined by the County Superintendent to have a lack of going concern, any contract the Agency enters into for auditing services must be approved by the County Superintendent.

By April 1 of each year, the Board shall provide for an annual audit of the Agency's books and accounts. (Education Code [41020](#))

To conduct the audit, the Board shall select a certified public accountant or public accountant licensed by the State Board of Accountancy from among those deemed qualified by the State Controller. (Education Code [41020](#), [41020.5](#))

The Board shall not select any public accounting firm to provide audit services if the lead or coordinating audit partner having primary responsibility for the audit, or the audit partner responsible for reviewing the audit, has performed audit services for the district in each of the six previous fiscal years. (Education Code [41020](#))

No later than December 15, the report of the audit for the preceding fiscal year shall be filed with the County Superintendent, the CDE, and the State Controller. (Education Code [41020](#))

Prior to December 15 whenever possible, but in no case later than January 31, the Board shall review, at an open meeting, the annual agency audit for the prior year, any audit exceptions identified in that audit, the recommendations or findings of any management letter issued by the auditor, and any description of correction or plans to correct any exceptions or any issue raised in a management letter. (Education Code [41020.3](#))
The Board shall have an opportunity at the meeting to ask questions of the auditor and request further information about the audit findings.

Audit Committee

The Board may appoint an audit committee composed of staff knowledgeable about fiscal matters, other staff, and representatives of the community.

(cf. 1220 - Citizen Advisory Committees)

(cf. 9130 - Board Committees)

(cf. 9140 - Board Representatives)

FINANCIAL REPORTS AND ACCOUNTABILITY (continued)

The committee shall serve in an advisory capacity and may:

1. Make recommendations regarding the selection of the external independent auditor in accordance with Education Code 41020 and 41020.5
2. Review the plan for the audit process with the independent auditor to determine the adequacy of the nature, scope, and timetable of the audit
3. Review the results of the audit and participate with the independent auditor and management in preparing final recommendations and responses
4. Participate with the independent auditor in presenting the audit report to the Board
5. Review Board policies and administrative regulations to recommend any revisions needed to ensure effective financial reporting
6. Provide input on the effectiveness of the independent auditor
7. Periodically report to the Board regarding the status of previous audit recommendations for improving the accounting and internal control systems

FINANCIAL REPORTS AND ACCOUNTABILITY

Interim Reports

Each interim fiscal report developed pursuant to Education Code [42130](#) shall include an assessment of the Agency budget as revised to reflect current information regarding the adopted state budget, district property tax revenues, if any, and ending balances for the preceding fiscal year. The report shall be based on State Board of Education (SBE) criteria and standards which address fund and cash balances, reserves, deficit spending, estimation of average daily attendance (ADA), projected enrollment, ratio of ADA to enrollment, projected revenue limit, salaries and benefits, other revenues and expenditures, and facilities maintenance. The CEO or designee shall provide the necessary financial records and cooperate with the auditor selected by the Governing Board to ensure that the audit report contains all information required by law and the Governmental Accounting Standards Board (GASB).

The audit shall include an audit of income and expenditures by source of funds for all funds of the Agency – cafeteria funds and accounts and any other funds under the control or jurisdiction of the Agency. (Education Code [41020](#))

FINANCIAL REPORTS AND ACCOUNTABILITY

available for public inspection. Such records shall be transmitted within 30 days after receipt of the auditor's report or within nine months after the end of the fiscal year, whichever is sooner, unless a longer period is agreed to in advance by the federal agency or a different period is specified in a program-specific audit guide. (31 USC 7502)

If an audit finding results in the Agency being required to repay an apportionment or pay a penalty, the district may appeal the finding to the Education Audit Appeals Panel by making an informal summary appeal within 30 days of receiving the final audit report or initiating a formal appeal within 60 days of receiving the report. (Education Code [41344](#), [41344.1](#))

While a public accounting firm is performing the audit of the Agency, it shall not provide any non-auditing, management, or other consulting services for the Agency except as provided in Government Auditing Standards, Amendment #3, published by the U.S. Government Accountability Office. (Education Code [41020](#))

Fund Balance

In accordance with GASB Statement 54, external financial reports shall report fund balances in the general fund within the following classifications based on the relative strength of constraints placed on the purposes for which resources can be used:

1. Non-spendable fund balance, including amounts that are not expected to be converted to cash, such as resources that are not in a spendable form or are legally or contractually required to be maintained intact
2. Restricted fund balance, including amounts constrained to specific purposes by their providers or by law
3. Committed fund balance, including amounts constrained to specific purposes by the Board
4. Assigned fund balance, including amounts which the Board or its designee intends to use for a specific purpose
5. Unassigned fund balance, including amounts that are available for any purpose

Negative Balance Report

Whenever the Agency reports a negative unrestricted fund balance or a negative cash balance in its annual budget or annual audit report, it shall include in the budget a statement that identifies the reasons for the negative unrestricted fund balance or negative cash balance and the steps that have been taken to ensure that the negative balance will not occur at the end of the current fiscal year. (Education Code [42127.5](#))

DEBT ISSUANCE AND MANAGEMENT

The Board of Directors is committed to long-term capital and financial planning and recognizes that the issuance of debt is a key source for funding the improvement and maintenance of school facilities and managing cash flow. Any debt issued by the Santa Clarita Valley School Food Services Agency (SCVSFSA) shall be consistent with law and this policy.

(cf. 3460 - Financial Reports and Accountability)

The SCVSFSA shall not enter into indebtedness or liability that in any year exceeds the income and revenue provided for such year, unless two-thirds of the voters approve the obligation or one of the exceptions specified in law applies. (California Constitution, Article 16, Section 18)

When the Board determines that it is in the best interest of the SCVSFSA, the Board may issue debt or order an election to issue debt. The Chief Executive Officer (CEO) or designee shall make recommendations to the Board regarding appropriate financing methods for capital projects or other projects that are authorized purposes for debt issuance. When approved by the Board and/or the voters as applicable, the CEO or designee shall administer and coordinate the SCVSFSA's debt issuance program and activities, including the timing of issuance, sizing of issuance, method of sale, structuring of the issue, and marketing strategies.

The CEO or designee shall retain a financial advisor, municipal advisor, investment advisor, and other financial services professionals as needed to assist with the structuring of the debt issuance and to provide general advice on the SCVSFSA's debt management program, financing options, investments, and compliance with legal requirements. Contracts for services provided by such advisors may be for a single transaction or for multiple transactions, consistent with the contracting requirements in Education Code 17596. In the event that the SCVSFSA issues debt through a negotiated sale, underwriters may be selected for multiple transactions if multiple issuances are planned for the same project. In addition, the SCVSFSA shall select a legal team on an as-needed basis to assist with debt issuances or special projects.

(cf. 3312 - Contracts)

(cf. 3600 - Consultants)

(cf. 9270 - Conflict of Interest)

Goals

The SCVSFSA's debt issuance activities and procedures shall be aligned with the SCVSFSA's vision and goals for providing adequate facilities and programs that support student learning and well-being. When issuing debt, the SCVSFSA shall ensure that it:

1. Maintains accountability for the fiscal health of the SCVSFSA, including prudent management and transparency of the SCVSFSA's financing programs

DEBT ISSUANCE AND MANAGEMENT (continued)

2. Attains the best possible credit rating for each debt issue in order to reduce interest costs, within the context of preserving financial flexibility and meeting capital funding requirements
3. Takes all practical precautions and proactive measures to avoid any financial decision that will negatively impact current credit ratings on existing or future debt issues
4. Maintains effective communication with rating agencies and, as appropriate, credit enhancers such as bond insurers or other providers of credit or liquidity instruments in order to enhance the creditworthiness, liquidity, or marketability of the debt
5. Monitors the SCVSFSA's statutory debt limit in relation to assessed valuation within the SCVSFSA and the tax burden needed to meet long-term debt service requirements
6. When determining the timing of debt issuance, considers market conditions, cash flows associated with repayment, and the SCVSFSA's ability to expend the obtained funds in a timely, efficient, and economical manner consistent with federal tax laws
7. Determines the amortization (maturity) schedule which will fit best within the overall debt structure of the SCVSFSA at the time the new debt is issued
8. Considers the useful lives of assets funded by the debt issue, as well as repair and replacement costs of those assets to be incurred in the future
9. Preserves the availability of the SCVSFSA's general fund for operating purposes and other purposes that cannot be funded by the issuance of voter-approved debt
10. Meets the ongoing obligations and accountability requirements associated with the issuance and management of debt under state and federal tax and securities laws

Authorized Purposes for the Issuance of Debt

The SCVSFSA may issue debt for any of the following purposes:

1. To pay for the cost of capital improvements, including acquiring, constructing, reconstructing, rehabilitating, replacing, improving, extending, enlarging, and/or equipping SCVSFSA facilities
2. To refund existing debt
3. To provide for cash flow needs

(cf. 3100 - Budget)

DEBT ISSUANCE AND MANAGEMENT (continued)

Pursuant to Government Code 53854, general operating costs, including, but not limited to, items normally funded in the SCVSFSA's annual operating budget, shall not be financed from debt payable later than 15 months from the date of issuance. The SCVSFSA may deem it desirable to finance cash flow requirements under certain conditions so that available resources better match expenditures within a given fiscal year. To satisfy both state constitutional and statutory constraints, such cash flow borrowing shall be payable from taxes, income, revenue, cash receipts, and other moneys attributable to the fiscal year in which the debt is issued.

Authorized Types of Debt

The CEO or designee shall recommend to the Board potential financing method(s) that result in the highest benefit to the SCVSFSA, with the cost of staff and consultants considered. Potential financing sources may include:

1. Short-term debt
 - a. Short-term debt, such as tax and revenue anticipation notes (TRANS), when necessary to allow the SCVSFSA to meet its cash flow requirements (Government Code 53850-53858)
 - b. Bond anticipation notes (BANs) to provide interim financing for capital bond projects that will ultimately be paid from general obligation bonds (Education Code 15150)
 - c. Grant anticipation notes (GANs) to provide interim financing pending the receipt of grants and/or loans from the state or federal government that have been appropriated and committed to the SCVSFSA (Government Code 53859-53859.08)
2. Long-Term Debt
 - a. General obligation bonds for projects approved by voters (California Constitution, Article 13A, Section 1; Education Code 15100-15262, 15264-15276; Government Code 53506-53509.5)
3. Lease financing, including certificates of participation (COPs)
 - a. Lease financing to fund the highest priority capital equipment purchases when pay-as-you-go financing is not feasible (Education Code 17450-17453.1)
4. Temporary borrowing from other sources such as the County Treasurer

DEBT ISSUANCE AND MANAGEMENT (continued)

COPs, TRANs, revenue bonds, or any other non-voter approved debt instrument shall not be issued by the SCVSFSA in any fiscal year in which the SCVSFSA has a qualified or negative certification, unless the County Superintendent of Schools determines, pursuant to criteria established by the Superintendent of Public Instruction, that the SCVSFSA's repayment of that indebtedness is probable. (Education Code 42133)

Relationship of Debt to SCVSFSA Facilities Program and Budget

Decisions regarding the issuance of debt for the purpose of financing capital improvement shall be aligned with current needs for acquisition, development, and/or improvement of SCVSFSA property and facilities as identified in the SCVSFSA's facilities master plan or other applicable needs assessment, the projected costs of those needs, schedules for the projects, and the expected resources.

The cost of debt issued for major capital repairs or replacements shall be evaluated against the potential cost of delaying such repairs and/or replacing such facilities.

When considering a debt issuance, the Board and the CEO or designee shall evaluate both the short-term and long-term implications of the debt issuance and additional operating costs associated with the new projects involved. Such evaluation may include, but is not limited to, the projected ratio of annual debt service to the tax burden on the SCVSFSA's taxpayers and the ratio of annual debt service secured by the general fund to general fund expenditures.

The SCVSFSA may enter into credit enhancement agreements such as municipal bond insurance, surety bonds, letters of credit, and lines of credit with commercial banks, municipal bond insurance companies, or other financial entities when their use is judged to lower borrowing costs, eliminate restrictive covenants, or have a net economic benefit to the financing.

Structure of Debt Issues

The SCVSFSA shall consider the overall impact of the current and future debt burden of the financing when determining the duration of the debt issue.

The SCVSFSA shall design the financing schedule and repayment of debt so as to take best advantage of market conditions, ensure cost effectiveness, provide flexibility, and, as practical, recapture or maximize its debt capacity for future use. Principal amortization will be structured to meet debt repayment, tax rate, and flexibility goals.

For new money debt issuances for capital improvements, the SCVSFSA shall size the debt issuance with the aim of funding capital projects as deemed appropriate by the Board, as long as the issuance is consistent with the overall financing plan, does not exceed the amount authorized

DEBT ISSUANCE AND MANAGEMENT (continued)

by voters, and, unless a waiver is sought and received from the state, will not cause the SCVSFSA to exceed the limitation on debt issuances specified in the California Constitution or Education Code 15106.

To the extent practicable, the SCVSFSA shall also consider credit issues, market factors, and tax

law when sizing the SCVSFSA's bond issuance. The sizing of refunding bonds shall be determined by the amount of money that will be required to cover the principal of, any accrued interest on, and any redemption premium for the debt to be paid on the call date and to cover appropriate financing costs.

Any general obligation bond issued by the SCVSFSA shall mature within 40 years of the issuance date or as otherwise required by law. (California Constitution, Article 16, Section 18; Government Code 53508.6)

The final maturity of equipment or real property lease obligations will be limited to the useful life of the assets to be financed but, with respect to a lease purchase of equipment, no longer than a period of 10 years. (Education Code 17452)

Method of Sale

For the sale of any SCVSFSA-issued debt, the CEO or designee shall recommend the method of sale with the potential to achieve the lowest financing cost and/or to generate other benefits to the SCVSFSA. Potential methods of sale include:

1. A competitive bidding process through which the award is based on, among other factors, the lowest offered true interest cost
2. Negotiated sale, subject to approval by the SCVSFSA to ensure that interest costs are in accordance with comparable market interest rates
3. Private placement sale, when the financing can or must be structured for a single or limited number of purchasers or where the terms of the private placement are more beneficial to the SCVSFSA than either a negotiated or competitive sale

Investment of Proceed

The SCVSFSA shall actively manage the proceeds of debt issued for public purposes in a manner that is consistent with state law governing the investment of public funds and with the permitted securities covenants of related financing documents executed by the SCVSFSA. Where applicable, the SCVSFSA's official investment policy and legal documents for a

DEBT ISSUANCE AND MANAGEMENT (continued)

particular debt issuance shall govern specific methods of investment of bond-related proceeds. Preservation of principal shall be the primary goal of any investment strategy, followed by the availability of funds and then by return on investment.

With regard to general obligation bonds, the SCVSFSA shall invest new money bond proceeds in the county treasury pool as required by law. (Education Code 15146)

The management of public funds shall enable the SCVSFSA to respond to changes in markets or changes in payment or construction schedules so as to ensure liquidity and minimize risk.

Refunding/Restructuring

The SCVSFSA may consider refunding or restructuring outstanding debt if it will be financially advantageous or beneficial for debt repayment and/or structuring flexibility. When doing so, the SCVSFSA shall consider the maximization of the SCVSFSA's expected net savings over the life of the debt issuance and, when using a general obligation bond to refund an existing bond, shall ensure that the final maturity of the refunding bond is no longer than the final maturity of the existing bond.

Internal Controls

The CEO or designee shall establish internal control procedures to ensure that the proceeds of any debt issuance are directed to the intended use. Such procedures shall assist the SCVSFSA in maintaining the effectiveness and efficiency of operations, properly expending funds, reliably reporting debt incurred by the SCVSFSA and the use of the proceeds, complying with all laws and regulations, preventing fraud, and avoiding conflict of interest.

(cf. 3314 - Payments for Goods and Services)

(cf. 3400 - Management of SCVSFSA Assets/Accounts)

The SCVSFSA shall be vigilant in using bond proceeds in accordance with the stated purposes at the time such debt was incurred as defined in the text of the voter-approved bond measure. (Government Code 53410)

When feasible, the SCVSFSA shall issue debt with a defined revenue source in order to preserve the use of the general fund for general operating purposes.

The SCVSFSA shall annually conduct a due diligence review to ensure its compliance with all ongoing obligations applicable to issuers of debt. Such a review may be conducted by general legal counsel or bond counsel. Any SCVSFSA personnel involved in conducting such reviews shall receive periodic training regarding their responsibilities.

DEBT ISSUANCE AND MANAGEMENT (continued)

In addition, the CEO or designee shall ensure that the SCVSFSA completes, as applicable, all performance and financial audits that may be required for any debt issued by the SCVSFSA, including disclosure requirements applicable to a particular transaction.

Records/Reports

At least 30 days prior to the sale of any debt issue, the CEO or designee shall submit a report of the proposed issuance to the California Debt and Investment Advisory Commission (CDIAC). Such report shall include a self-certification that the SCVSFSA has adopted a policy concerning the use of debt that complies with law and that the contemplated debt issuance is consistent with that policy. (Government Code 8855)

On or before January 31 of each year, the CEO or designee shall submit a report to the CDIAC regarding the debt authorized, the debt outstanding, and the use of proceeds of the issued debt for the period from July 1 to June 30. (Government Code 8855)

The CEO or designee shall provide initial and any annual or ongoing disclosures required by 17 CFR 240.10b-5 and 240.15c2-12 to the Municipal Securities Rulemaking Board, investors, and other persons or entities entitled to disclosure, and shall ensure that the SCVSFSA's disclosure filings are updated as needed.

The CEO or designee shall maintain transaction records of decisions made in connection with each debt issuance, including the selection of members of the financing team, the structuring of the financing, selection of credit enhancement products and providers, and selection of investment products. CELLULAR PHONE REIMBURSEMENT

The Santa Clarita Valley School Food Services Agency (SCVSFSA) may provide an allowance to an employee for the use of his/her personally owned cell phone or mobile communications device for SCVSFSA-related business. The allowance shall be based on the business requirements of the employee. The allowance shall be given to the employee, who shall be responsible for payments to the service provider.

SCVSFSA may purchase cell phones or other mobile communications devices for use by employees for SCVSFSA-related business.

Employees who are not provided an allowance or SCVSFSA-owned mobile communications devices may be reimbursed for the actual expenses of business-related calls made on their personally owned equipment, in accordance with the SCVSFSA's expense reimbursement procedures.

The Chief Executive Officer (CEO) or designee shall determine if an employee requires a cell phone or other mobile communications device for the efficient performance of his/her job responsibilities. Factors that will be considered include, but are not limited to, whether the employee's job responsibilities require:

1. An ability to communicate frequently and access to a SCVSFSA telephone is not readily available
2. An ability to communicate immediately to ensure the safety of SCVSFSA staff or the security of SCVSFSA property
3. An ability to be accessible due to frequent travel or work outside of the office

The CEO or designee shall develop a uniform system for identifying employee cell phone or mobile communications device needs and the most cost effective method of providing necessary equipment to employees. He/she shall also develop a system for monitoring employee use and reimbursement of costs.

If an employee misuses the cell phone or other mobile communications device or leaves SCVSFSA employment, he/she shall be responsible for fees or charges associated with cancellation of the service contract.

If the CEO or designee determines that an employee no longer needs a cell phone or other mobile communications device to perform his/her job responsibilities, any fees or charges associated with cancellation of the service contract shall be the responsibility of SCVSFSA.

(cf. 4156.3/4256.3/4356.3 - Employee Property Reimbursement)

Documentation of Records for Tax Purposes

When an employee has been provided the use of a SCVSFSA-owned device to be used for business and personal use, he/she shall reimburse the agency for approximately 1/3 of the monthly usage charges as well as any other charges incurred that exceed the monthly usage amount.

ENVIRONMENTAL SAFETY

The Board of Directors recognizes its obligation to provide a safe and healthy environment at Santa Clarita Valley School Food Services Agency (SCVSFSA) facilities for students, staff, and community members. The Chief Executive Officer (CEO) or designee shall regularly assess SCVSFSA facilities to identify environmental health risks. He/she shall establish a comprehensive plan to prevent and/or mitigate environmental hazards based on a consideration of the proven effectiveness of various options, anticipated short-term and long-term costs and/or savings to SCVSFSA, and the potential impact on staff and students served.

Administrative Regulation

AR 3514.1(a)

Hazardous Substances

Business and Non-instructional Operations

Hazardous substance means a substance, material, or mixture which is likely to cause illness or injury by reason of being explosive, flammable, poisonous, corrosive, oxidizing, an irritant, or otherwise harmful. Hazardous substances, as identified by the Department of Industrial Relations, are listed in 8 CCR 339. (8 CCR 339, 5161)

Storage and Disposal of Chemicals

The CEO or designee shall adopt measures to ensure that hazardous substances on any member districts schools and SCVSFSA property are stored and disposed of properly in accordance with law. Such measures shall include, but are not limited to, the following: (8 CCR 5164)

1. Substances which react violently or evolve toxic vapors or gases when mixed, or which in combination become toxic, flammable, explosive, or otherwise hazardous, shall be separated from each other in storage by distance, partitions, secondary containment, or otherwise so as to preclude accidental contact between them.
2. Hazardous substances shall be stored in containers which are chemically inert to and appropriate for the type and quantity of the hazardous substance.
3. Containers of hazardous substances shall not be stored in such locations or manner as to result in physical damage to or deterioration of the container or where they are exposed to heat sufficient to rupture the container or to cause leakage.
4. Containers used to package a substance which gives off toxic, poisonous, corrosive, asphyxiant, suffocant, or anesthetic fumes, gases, or vapors in hazardous amounts, excluding small quantities of such materials kept in closed containers or materials kept in tank cars or trucks, shall not be stored in locations where it could be reasonably anticipated that persons would be exposed.
5. Make Material Safety Data Sheets (MSDS) available in each site kitchen. Communicate information with Agency and district employees.

(cf. 3514 - Environmental Safety)

The CEO or designee shall regularly remove and dispose of all chemicals whose estimated shelf life has elapsed. (Education Code 49411)

The SCVSFSA's written hazard communication program shall include at least the components listed below and shall be available upon request to all employees and their

designated representatives. The program shall apply to any hazardous substance which is known to be present in the workplace in such a manner that employees may be exposed under normal conditions of use or in a reasonably foreseeable emergency resulting from workplace operations. (8 CCR 5194)

1. Container Labeling

No container of hazardous substance, unless exempted by law, shall be accepted by the SCVSFSA or any school unless labeled, tagged, or marked by the supplier with the identity of the hazardous substance, hazard warning statements, and the name and address of the chemical manufacturer or importer. No label on an incoming container shall be removed or intentionally defaced unless the container is immediately marked with the required information.

Whenever hazardous substances are transferred from their original containers to other containers, the secondary containers shall likewise be labeled with the identity and hazard warning statement, unless the substances are intended only for the immediate use of the employee who performs the transfer.

2. Safety Data Sheets

Upon receiving a hazardous substance or mixture, the CEO or designee shall ensure that the manufacturer or importer has furnished a safety data sheet (SDS) as required by law. If the SDS is missing or obviously incomplete, the CEO or designee shall, within seven working days of noting the missing or incomplete information, request a new SDS from the manufacturer or importer. If a response is not received within 25 working days, the CEO or designee shall send a copy of the Agency's written inquiry to the California Occupational Safety and Health Division (Cal/OSHA). (8 CCR 5194)

The CEO or designee shall maintain the required SDS for each hazardous substance in the workplace and shall ensure that it is readily accessible to employees in their work area during working hours. The SDS may be maintained in paper copy, electronically, or through other means, provided that employees have immediate access and understand how to use the alternative system. The SDS will be shared with member districts school sites.

3. Employee Information and Training

Employees shall receive information and training on hazardous substances in their work area at the time of their initial assignment and whenever a new hazard is introduced into their work area. The information and training shall include, but are not limited to, the following topics: (8 CCR 5194)

- a. The requirements of 8 CCR 5194, including employee rights described therein.
- b. The location and availability of the Agency's written hazard communication program, including the list of hazardous materials and all SDS.
- c. Any operations in the work area where hazardous substances are present.
- d. The physical and health effects of the hazardous substances in the work area.
- e. Methods and observations that may be used to detect the presence or release of hazardous substances in the work area
- f. Measures that employees can take to protect themselves from exposure to hazardous substances, including specific procedures the district has implemented to protect employees, such as appropriate work practices, emergency procedures, and personal protective equipment to be used.
- g. How to read and use the labels and SDS

(cf. 4112.914212.914312.9 - Employee Notifications) (cf. 4131 «Staff Development) (cf. 4231 - Staff Development) (cf. 4331 - Staff Development)

4. List of Hazardous Substances

The written hazard communication program shall include a list of the hazardous substances known to be present in the workplace as a whole or for individual work areas. (8 CCR 5194)

5. Hazardous Non-routine Tasks

When employees are required to perform hazardous non-routine tasks or to work on unlabeled pipes that contain hazards, they shall first receive information about the specific hazards to which they may be exposed during this activity and the protective/safety measures which must be used, such as ventilation, respirators, other personal protective equipment, and/or the presence of another employee. They shall

also receive information about emergency procedures to follow if accidentally exposed to the hazardous substance.

6. Information to Contractors

To ensure that outside contractors and their employees work safely in SCVSFSA facilities, the CEO or designee shall inform contractors of hazardous substances which are present on the site and precautions that they may take to lessen the possibility of exposure. It shall be the contractor's responsibility to disseminate this information to his/her employees and subcontractors.

4/13

HAZARDOUS SUBSTANCES

The Board of Directors desires to provide a safe environment that protects employees from exposure to potentially hazardous substances that may be used in the daily operations of the Santa Clarita Valley School Food Services Agency (SCVSFSA).

Insofar as possible, the CEO or designee shall minimize the quantities of hazardous substances stored and used on school property and shall substitute less dangerous materials for hazardous substances. When hazardous substances must be used, the CEO or designee shall give preference to materials that cause the least risk to people and the environment.

Hazard Communication Program

The CEO or designee shall ensure that all potentially hazardous substances on SCVSFSA property are inventoried, used, stored, and regularly disposed of in a safe and legal manner.

The CEO or designee shall develop, implement, and monitor a written hazard communication program in accordance with 8 CCR 5194 and shall ensure that employees, and others as necessary are fully informed about the properties and potential hazards of substances to which they may be exposed and that material safety data sheets are readily accessible to them (communicate with districts).

INTEGRATED PEST MANAGEMENT

Definition

Integrated Pest Management (IPM) means a strategy that focuses on long-term prevention or suppression of pest problems through a combination of techniques such as monitoring for pest presence and establishing treatment threshold levels, using nonchemical practices to make the habitat less conducive to pest development, improving sanitation, and employing mechanical and physical controls. Pesticides that pose the least possible hazard and are effective in a manner that minimizes risks to people, property, and the environment are used only after careful monitoring indicates they are needed according to pre-established guidelines and treatment thresholds. (Food and Agricultural Code 13181)

Program Components

The Chief Executive Officer (CEO) or designee shall designate an employee at the Santa Clarita Valley School Food Services Agency's (SCVSFSA) office to develop, implement, and coordinate an IPM program that incorporates effective, least toxic pest management practices. The IPM coordinator shall prepare and regularly update an IPM plan based on the template provided by the CA Department of Pesticide Regulation (DPR). The Santa Clarita Valley School Food Services Agency's (SCVSFSA) program shall include, but not necessarily be limited to, the following components:

1. Identifying and monitoring pest population levels and identifying practices that could affect pest populations. Strategies for managing the pest shall be influenced by the pest species and whether that species poses a threat to people, property, or the environment.
2. Setting action threshold levels to determine when pest populations or vegetation at a specific location might cause unacceptable health or economic hazard that would indicate corrective action should be taken.
3. Modifying or eliminating pest habitats to deter pest populations and minimize pest infestations.
4. Considering a full range of possible alternative cost-effective treatments. Such alternative treatments may include taking no action or controlling the pest by physical, horticultural, or biological methods. Cost or staffing considerations alone will not be adequate justification for use of chemical control agents.
5. Selecting nonchemical pest management methods over chemical methods whenever such methods are effective in providing the desired control or, when it is determined that chemical methods must be used, giving preference to those chemicals that pose the least hazardous effects to people and the environment.
6. Limiting pesticide purchases to amounts needed for the year. Pesticides shall be stored at a secure location that is not accessible to unauthorized staff.

INTEGRATED PEST MANAGEMENT (continued)

They shall be stored and disposed of in accordance with state regulations and label directions registered with the U.S. Environmental Protection Agency (EPA) as well as any disposal requirements indicated on the product label.

(cf. 3514 – Environmental Safety)

(cf. 3514.1 - Hazardous Substances)

7. Informing employees regarding pesticide use as described in the sections “Notifications” and “Warning Signs” below.
8. Ensuring that persons applying pesticides follow label precautions and are sufficiently trained in the principles and practices of IPM.

(cf. 4231 - Staff Development)

Beginning July 1, 2016, the IPM coordinator and any employee or contractor who intends to apply a pesticide at the SCVSFSA shall annually complete a DPR-approved training course on IPM and the safe use of pesticides in relation to the unique nature of school sites and children’s health. (Education Code 17614; Food and Agricultural Code 13186.5)

Notifications

Staff shall be annually notified, in writing, regarding pesticide products expected to be applied at the SCVSFSA in the upcoming year. The notification shall include at least the following:

1. The name of each pesticide product expected to be applied in the upcoming year and the active ingredient(s) in it.
2. The Internet address used to access information on pesticides and pesticide use reduction developed by the DPR pursuant to Food and Agricultural Code 13184
3. The opportunity to view a copy of the IPM plan in the SCVSFSA office.

1. **Open Site:** The site provides meals to all children in the area and is located at a school or nonschool site within the geographical boundaries of a school attendance area where at least 50 percent of the children are eligible for free or reduced-price meals.

(cf. 3553 - Free and Reduced Price Meals)

2. **Restricted Open Site:** The site initially meets the criteria of an "open site," but the Santa Clarita Valley School Food Services Agency (SCVSFSA) must restrict or limit participation on a first-come, first-served basis due to security, safety, or control concerns.
3. **Closed Enrolled Site:** The site is open only to enrolled children, as opposed to the community at large, and at least 50 percent of the enrolled children at the site are eligible for free or reduced price school meals, as determined by approval of applications in accordance with 7 CFR 225.15(f).

Whenever SCVSFSA offers the summer meal program at a site that provides summer school sessions, it shall ensure that the site is open to students enrolled in summer school and to all children residing in the area served by the site. (7 CFR 225.14)

The coordinator shall develop and maintain a system for collecting racial and ethnic data of participants in the SCVSFSA's nutrition programs and shall, at least annually, report to the Board on whether SCVSFSA's nutrition programs are effectively reaching eligible individuals and whether and where additional outreach may be needed.

(cf. 5022 - Students and Family Privacy Rights)

(cf. 5145.6 - Parental Notifications)

In addition, the coordinator shall ensure that every informational release, publication, or poster concerning SCVSFSA's nutrition programs and/or activities includes, in a prominent location, the following statement:

"In accordance with federal law and U.S. Department of Agriculture policy, this institution is prohibited from discriminating on the basis of race, color, national origin, sex, age, religion, political beliefs, or disability. In addition, California law prohibits discrimination on any basis identified in Government Code 12940.

Classification of Records

Records means all records, maps, books, papers, and documents of Santa Clarita Valley School Food Services Agency (SCVSFSA) required by law to be prepared or retained as necessary or convenient to the discharge of official duty. (5 CCR 16020)

(cf. 1340 - Access to District Records)

Before January 1, the Chief Executive Officer (CEO) or designee shall review the prior year's records and shall classify them as either a Class 1 (Permanent), Class 2 (Optional), or Class 3 (Disposable) record. (5 CCR 16022)

Records of continuing nature (active and useful for administrative, legal, fiscal, or other purposes over a period of years) shall not be classified until such usefulness has ceased. (5 CCR 16022)

An inventory of equipment shall be a continuing record and shall not be classified until the inventory is superseded or until the equipment is removed from SCVSFSA ownership. (5 CCR 16022)

(cf. 3440 - Inventories)

When an electronic or photographed copy of a Class 1 (Permanent) record has been made, the copy may be classified as Class 1 (Permanent) and the original classified as either Class 2 (Optional) or Class 3 (Disposable). However, no original record that is basic to any required audit may be destroyed prior to the second July 1st succeeding the completion of the audit. (Education Code 35254)

Class 1 - Permanent Records

The original of each of the following records, or one exact copy of it when the original is required by law to be filed with another agency, is a Class 1 (Permanent) record and shall be retained indefinitely unless microfilmed in accordance with 5 CCR 16022: (5 CCR 16023)

1. Annual Reports
 - a. Official budget
 - b. Financial reports of all funds, including cafeteria funds
 - c. Audit of all funds

(cf. 3551 - Food Service Operations/Cafeteria Fund)

2. Official Actions

- a. Minutes of the Board or Board committees, including the text of rules, regulations, policies, or resolutions included by reference only

3. Personnel Records

Class 1 (Permanent) records include all detailed records relating to employment; assignment; amounts and dates of service rendered; termination or dismissal of an employee in any position; sick leave record; rate of compensation, salaries, or wages paid; and deductions or withholdings made and the person or agency to whom such amounts were paid. In lieu of the detailed records, a complete proven summary payroll record for each employee containing the same data may be classified as Class 1 (Permanent) record and the detailed records may then be classified as Class 3 (Disposable) records.

Information of a derogatory nature as defined in Education Code 44031 shall be retained as a Class 1 (Permanent) record only when the time for filing a grievance has passed or the document has been sustained by the grievance process.

AGENCY RECORDS (continued)

4. Property Records

Class 1 (Permanent) records include all detailed records relating to land, buildings, and equipment. In lieu of detailed records, a complete property ledger may be classified as Class 1 (Permanent) record. The detailed records may then be classified as Class 3 (Disposable) records if the property ledger includes all fixed assets; an equipment inventory; and, for each piece of property, the date of acquisition, name of previous owner, a legal description, the amount paid, and comparable data if the unit is disposed of.

(cf. 3280 - Sale or Lease of District-Owned Real Property)

Class 2 - Optional Records

Any record considered temporarily worth keeping, but which is not a Class 1 record, may be classified as a Class 2 (Optional) record and shall be retained until it is reclassified as a Class 3 (Disposable) record. If by agreement of the Board and CEO or designee, classification of the prior year records has not been made before January 1 as specified in 5 CCR 16022, all records of the prior year may be classified Class 2 (Optional) records pending further review and classification within one year. (5 CCR 16024)

Class 3 - Disposable Records

All records not classified as Class 1 (Permanent) or as Class 2 (Optional) records shall be classified as Class 3 (Disposable) records. These include, but are not limited to, detailed records basic to audit, including those relating to business or financial transactions; detailed records used in preparing another report; and periodic reports, including daily, weekly, and monthly reports, bulletins, and instructions. (5 CCR 16025)

All Class 3 (Disposable) records shall be destroyed during the third school year after the school year in which the records originated. In addition, Class 3 (Disposable) records shall not be destroyed until after the third school year following the completion of any legally required audit or the retention period required by any agency other than the State of California, whichever is later. A continuing record shall not be destroyed until the fourth year after it has been classified as a Class 3 (Disposable) record. (5 CCR 16026, 16027)

CONSULTANTS

The Board of Directors authorizes the use of consultants to provide expert professional advice or specialized technical or training services which are not needed on a continuing basis and which cannot be provided by Santa Clarita Valley School Food Services Agency (SCVSFSA) staff because of limitations of time, experience, or knowledge. Individuals, firms or organizations employed as consultants may assist management with decisions and/or project development related to financial, economic, accounting, engineering, legal, administrative, instructional, or other matters.

As part of the contract process, the Chief Executive Officer (CEO) or designee shall determine, in accordance with Internal Revenue Service guidelines, that the consultant is properly classified as an independent contractor. SCVSFSA employees who perform extra-duty consultant services shall not be retained as independent contractors. They shall be considered employees for all purposes, even if the additional services are not related to their regular duties.

All consultant contracts shall be brought to the Board for approval.

(cf. 3312 - Contracts)

SCVSFSA shall not contract for consulting services that can be performed without charge by a public agency or official unless these services are unavailable from the public source for reasons beyond SCVSFSA's control.

All qualified firms or resource persons shall be accorded equal opportunity for consultant contracts regardless of race, creed, color, gender, national or ethnic origin, age or disability.

(cf. 3311 - Bids)

(cf. 3551 - Food Service Operations/Cafeteria Fund)

(cf. 4030 - Nondiscrimination in Employment)

Independent contractors applying for a consultant contract shall submit a written conflict of interest statement disclosing financial interests as determined necessary by the CEO or designee, depending on the range of duties to be performed by the consultant. The CEO or designee shall consider this statement when deciding whether to recommend the consultant's employment.

(cf. 9270 - Conflict of Interest)

When employees of a public university, county office of education or other public agency serve as consultant or resource persons for SCVSFSA, they shall certify as part of the consultant agreement that they will not receive salary or remuneration other than vacation pay from any other public agency for the specific days when they work for SCVSFSA.
