Dear Rita Tabatchnick,

We are pleased to report that on March 22, 2018, our Board of Directors approved your proposal as received in response to RFP No. 1801 for Processed USDA Foods Products and Commercial Equivalents for SUPER Co-Op member districts for the 2018-19 school year. Enclosed is your copy of the signed Provisioning Contract.

Diversions of USDA Foods are being made this month and you will be notified of any shipments designated for your company by the USDA. As diversion decisions are made based on requests from our Member Districts, not all awarded companies receive USDA Foods for processing. It is the responsibility of the SUPER Co-Op Member Districts to place orders with an approved distributor or directly with the manufacturer. Further details can be found in the enclosed Provisioning Contract or the RFP document.

Thank you for your interest in serving the children of the member districts of the SUPER Co-Op. We appreciate the working relationship we have with your company, and your willingness to work with us to provide good nutrition to California's children.

Sincerely,
