Fall Break School Meal Distribution: As the four elementary school districts' fall break schedules are all slightly different. Families are encouraged to visit schools in neighboring elementary districts to receive meals. Students need not be enrolled in a particular school to receive free meals. All children 18 and younger may visit any school.

Additional Student Meal Distribution Schedules: Below you will find additional meal service dates and information.

November 10, 2020: All schools will provide double meals on November 10th to ensure students have meals on Veterans' Day, November 11th.

December 18, 2020: All schools will provide meals for December 19th & 20th.
